

# HIGH-LIFE Summer Calendar

There's not much of anything better than a High-Life Summer. Like the perfect tray of burgers, shakes and fries we put this calendar as a combo of events to remind you that our staff wants to spend time with you as you grow in your relationship with the Lord. We hope that you will come be a part of as much as possible. It is our heart to see you develop close relationships in High-Life Ministries, but even more, we hope that your relationship with Jesus will grow above and beyond your own expectations.

Summer is a great time for growth and our hope for you is that in the midst of all that you do, you will take time each day to pray, look in God's word, focus on how good God is and how much He has blessed you. He does love you! We will be praying for you and look forward to all the incredible times we will have this summer!
